

A black and white photograph of a large, multi-story building, likely a train station or a public building. The building features a prominent porch with several columns and a large dormer window on the roof. The text "Modeling New Britain" is overlaid in large, bold, yellow letters, and "New Britain, CT in the Postwar Era" is overlaid in smaller, bold, yellow letters below it.

Attention to Details

An aerial view of a parking lot. A white van is parked on the left side. In the background, there is a building with a dark facade and a sign that says "HOT". A paved path with white lane markings leads from the foreground towards the building. A timestamp is overlaid at the bottom of the image.

TCR 00:05:11:29

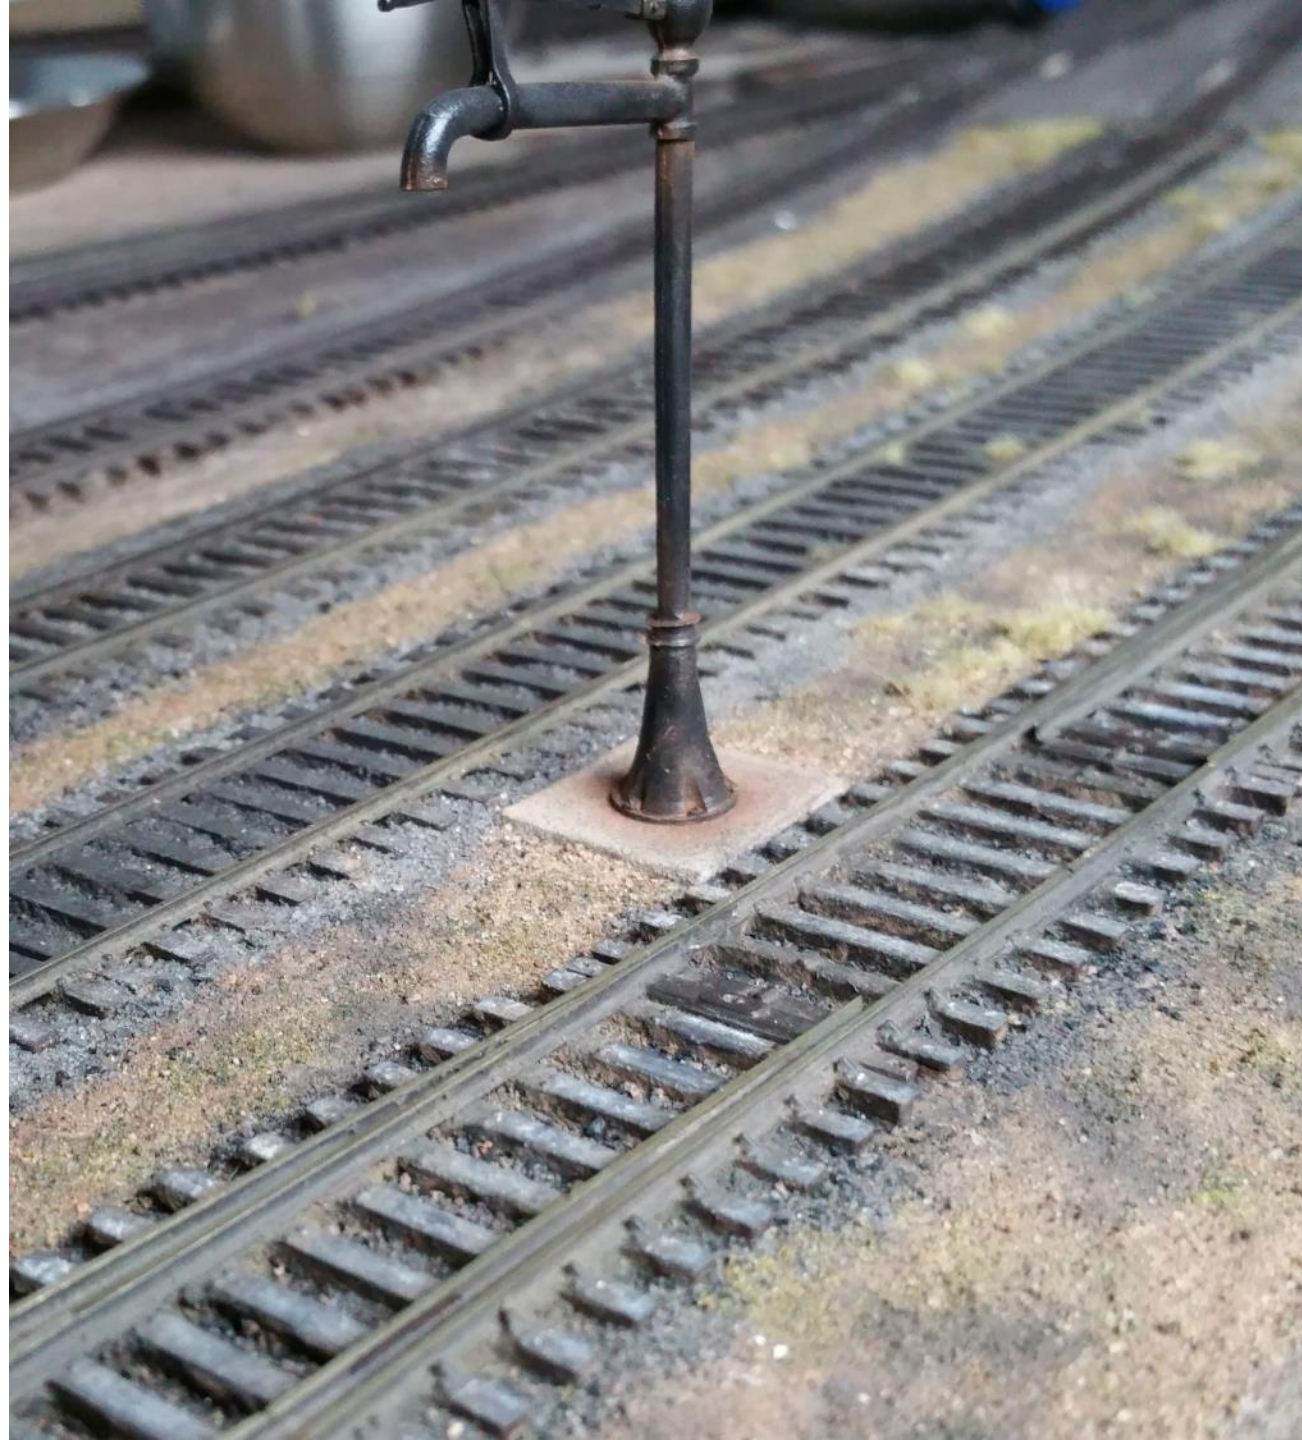

TCR 00:05:02:07

An aerial view of a railway yard or station. Several parallel tracks run from the foreground towards the background. On the left side, there is a small wooden building. In the background, there are larger industrial or office buildings. The ground between the tracks appears to be gravel or dirt. The overall scene is captured from a high angle, looking down the length of the tracks.
